Free Download: Learn and Develop Arabic with Audio Book Learn and develop your Arabic with Audio Book. (Overview of This Book) One of the most useful ways to learn a language is through audio books. Over half a million students across the world have downloaded The Language of the Heart, and we hope you'll enjoy it as much as they have. In this book, we present 14 hours of spoken Arabic, using language models generated by IBM's statistical machine translation systems. The Audio Book of the Language of the Heart is designed to give you a broad, globalized and flexible introduction to the spoken language that will help you improve your vocabulary, listen to Arabic, and develop your fluency. This Audio Book is free of charge and is downloadable in MP3 format for your own use. The following chapters contain four tracks each: The Introduction covers different aspects of the Arabic language and culture such as how to pronounce Arabic words and where the Arabic language is located in the world. The Grammar chapter covers different aspects of the Arabic grammar such as what is an Arabic word, how to form a sentence, different tenses of the Arabic verb, and the present and past tenses. The Vocabulary section covers different aspects of the Arabic vocabulary, including the proper use of the Arabic alphabet. The Culture section covers aspects of the Arabic culture such as the daily lives of Arabs, how to order food, and the Arabic alphabet. And the Language and Phrases chapter covers aspects of Arabic that are not covered in the other chapters such as what is the Arabic word for thank you, how to say goodbye in Arabic, and greetings in the Arabic language. The Language of the Heart includes a CD with an MP3 file, so you can listen to the audio books and get a feel for the rhythm and intonation of the Arabic language. Now you can download the Audio Book of the Language of the Heart and start improving your Arabic in no time. NEW RELIGION OF ILLUSTRATED MANIFESTOS. RELIGION OF ILLUSTRATED MANIFESTOS.
